

Oregon Health Authority – 2019 CCO Incentive Measure Set

Published July 2018

2019 CCO Incentive Measures
1. Adolescent well-care visits
2. Ambulatory Care: Emergency Department utilization
3. Assessments within 60 days for children in DHS custody ¹
4. CAHPS composite: access to care
5. Childhood immunization status
6. Cigarette smoking prevalence ²
7. Colorectal cancer screening
8. Controlling hypertension
9. Dental sealants on permanent molars for children ³
10. Depression screening and follow-up plan
11. Developmental screening in the first 36 months of life
12. Diabetes: HbA1c Poor Control
13. Disparity measure: Emergency department utilization among members with mental illness
14. Drug and alcohol screening (EHR–based SBIRT)
15. Effective contraceptive use among women at risk of unintended pregnancy
16. Oral evaluation for adults with diabetes
17. Patient-Centered Primary Care Home enrollment
18. Timeliness of postpartum care
19. Weight assessment and counseling in children and adolescents

¹ In 2020 specifications will be changed to align with DHS Child Welfare Policy / AAP guidelines, requiring physical and dental assessments within 30 days, and mental health assessments for children ages 3+ within 60 days.

² In 2019, no longer includes cessation benefit component, as this is now a coverage requirement per the Prioritized List.

³ In 2020 specifications will be changed to align with those of the Dental Quality Alliance (which limits denominator to those with elevated risk codes / restorative services).
